Our reference : BR.CdK/WT
Date : 2 January, 2023
Subject : Declaration Conflicting Minerals (3TG).

As a socially responsible company, following the EU regulations on Conflict Minerals, Kwant Controls herewith declares the following:

The following minerals/metals "are"/"are not" necessary to the functionality or production of the products manufactured by KWANT CONTROLS B.V.

Tantalum (Ta) : NO
Tin (Sn) : Yes; in solder applied on PCB's. **Note:** within the threshold level.
Gold (Au) : Yes; in contacts and slip ring constructions. **Note:** within the threshold level.
Tungsten (W) : NO

Suppliers are expected to supply materials to Kwant Controls that are "Conflict Free" and to adopt policies and management systems with respect to conflict minerals and to require their suppliers to adopt similar policies and systems.

The suppliers of the parts containing Tin (Sn) and Gold (Au) have declared to Kwant Controls that these metals do not originate from the Democratic Republic of Congo (DRC) or an adjoining country.

Based on our knowledge and supplier information, we hereby declare that our products (see www.kwantcontrols.com) do not contain any conflict minerals and that the sourcing information regarding conflict minerals contained in our products is current, accurate and complete at the time of submission and that it is true and correct.

Yours faithfully,

KWANT CONTROLS B.V.
SNEEK - HOLLAND
